WHEN TO GO

Season & rhythm

- How a Hammamet week actually runs.: A choreographed operation - berths, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Yasmine Hammamet Marina.
- Local cadence: Morning toys, held lunch, short reposition around Hammamet, quiet overnight.
- Concierge lock: Restaurants and clubs confirmed weeks out - not left to chance.
- When to berth. When to anchor.: In Hammamet, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy around Yasmine Hammamet Marina, walk-ashore dinners, event visibility.
- At anchor: Swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

VAT & APA - Hammamet short version.

On a Hammamet charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Tunisia is outside the EU; yacht temporary admission and charter tax rules are local - work with an agent for clearances and marina paperwork.

APA

For Tunisia in high season, budget APA at roughly 30-40% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.

FAQ

When is the best time for yacht charter in Hammamet?

Shoulder months usually balance weather, water and berth availability for Hammamet. Peak midsummer adds density and premium quay pricing at Yasmine Hammamet Marina.

Which marina should we embark from in Hammamet?

Yasmine Hammamet Marina is the primary embarkation for Hammamet, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Hammamet?

For peak season around Hammamet, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Hammamet charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Hammamet we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Hammamet?

Yes - chauffeur and helicopter where available from TUN / DJE, timed to the embarkation slot at Yasmine Hammamet Marina.

How does a Hammamet week use Hammamet & Cap Bon?

Hammamet & Cap Bon is a core Hammamet pocket - we sequence Yasmine Hammamet Marina nights and day-anchors so the week feels unhurried. Hammamet sits inside Tunisia as a focused stop, not a duplicate of the country hub.
