- Embark ready: APA open, crew briefed, transfer timed to Lahaina / Malaea yacht access.
- Local cadence: Morning toys, held lunch, short reposition around Maui, quiet overnight.
- Concierge lock: Restaurants and clubs confirmed weeks out - not left to chance.
- When to berth. When to anchor.: In Maui, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy around Lahaina / Malaea yacht access, walk-ashore dinners, event visibility.
- At anchor: Swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

FAQ

When is the best time for yacht charter in Maui?
Shoulder months in Pacific usually balance weather and berth availability for Maui near Lahaina / Malaea yacht access.

Which marina should we embark from in Maui?
Lahaina / Malaea yacht access is the primary embarkation for Maui, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Maui?
For peak season around Maui, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Maui charter?
Fuel, berthing, food and beverage, and most guest concierge extras. For Maui we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Maui?
Yes - chauffeur and helicopter where available from HNL / OGG, timed to the embarkation slot at Lahaina / Malaea yacht access.

How does a Maui week use Maui lee?

Maui lee is a core Maui pocket - we sequence Lahaina / Malaea yacht access nights and day-anchors so the week feels unhurried. Maui sits inside Hawaii as a focused stop, not a duplicate of the country hub.
