NUMBERS - HORIZONTAL FALLS

VAT & APA - Horizontal Falls short version.

On a Horizontal Falls charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Kimberley is expedition charter country - confirm APA fuel contingency, permits and cyclone windows; not a marina-hop product. Confirm commercial charter tax treatment and APA with the broker before deposit.

APA

For Kimberley in high season, budget APA at roughly 30-40% of base fee covering fuel, berths, permits and held tables - confirm against LOA and itinerary.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.
