FAQ

When is the best time for yacht charter in Palamós?

Shoulder months in Mediterranean usually balance weather and berth availability for Palamós near Port Palamós.

Which marina should we embark from in Palamós?

Port Palamós is the primary embarkation for Palamós, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Palamós?

For peak season around Palamós, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Palamós charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Palamós we set an honest APA band before contract - not a vague percentage.

Yes - chauffeur and helicopter where available from GRO / BCN, timed to the embarkation slot at Port Palamós.

How does a Palamós week use Central Costa Brava?
