TABARKA

Overview

Tabarka is a focused Tunisia charter stop - Port de Tabarka nights, day-anchors like Needles of Tabarka, and shore tables held before you fly. The operational win is sequencing a short, high-quality loop rather than forcing the whole Tunisia circuit.

WHEN TO GO

Season & rhythm

- How a Tabarka week actually runs.: A choreographed operation - berths, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Port de Tabarka.
- Local cadence: Morning toys, held lunch, short reposition around Tabarka, quiet overnight.
- Concierge lock: Restaurants and clubs confirmed weeks out - not left to chance.
- When to berth. When to anchor.: In Tabarka, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy around Port de Tabarka, walk-ashore dinners, event visibility.
- At anchor: Swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

NUMBERS - TABARKA

VAT & APA - Tabarka short version.

On a Tabarka charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Tunisia is outside the EU; yacht temporary admission and charter tax rules are local - work with an agent for clearances and marina paperwork.

APA

For Tunisia in high season, budget APA at roughly 30-40% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.

FAQ

When is the best time for yacht charter in Tabarka?

Shoulder months usually balance weather, water and berth availability for Tabarka. Peak midsummer adds density and premium quay pricing at Port de Tabarka.

Which marina should we embark from in Tabarka?

Port de Tabarka is the primary embarkation for Tabarka, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Tabarka?

For peak season around Tabarka, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Tabarka charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Tabarka we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Tabarka?

Yes - chauffeur and helicopter where available from TUN / DJE, timed to the embarkation slot at Port de Tabarka.

How does a Tabarka week use Tabarka & Galite?

Tabarka & Galite is a core Tabarka pocket - we sequence Port de Tabarka nights and day-anchors so the week feels unhurried. Tabarka sits inside Tunisia as a focused stop, not a duplicate of the country hub.
