FAQ

When is the best time for yacht charter in Auckland?

Shoulder months usually balance weather, water and berth availability for Auckland. Peak midsummer adds density and premium quay pricing at Westhaven Marina, Auckland.

Which marina should we embark from in Auckland?

Westhaven Marina, Auckland is the primary embarkation for Auckland, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Auckland?

For peak season around Auckland, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Auckland charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Auckland we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Auckland?

Yes - chauffeur and helicopter where available from AKL / CHC, timed to the embarkation slot at Westhaven Marina, Auckland.

How does a Auckland week use Hauraki Gulf?

Hauraki Gulf is a core Auckland pocket - we sequence Westhaven Marina, Auckland nights and day-anchors so the week feels unhurried. Auckland sits inside New Zealand as a focused stop, not a duplicate of the country hub.
