As an indicative band, crewed motor yachts often sit from the mid five-figures per week upward before APA (typically ~25-35% of base for fuel, berthing and provisions), VAT where applicable, and crew gratuity. We set an honest range before contract - not a fake nightly rate.

Which marina should we embark from in Kimberley?

Broome yacht access / Entrance Point is the most common embarkation for Kimberley, with fallbacks when LOA or events block the preferred quay.

Can you charter a superyacht in Kimberley?

Yes - superyacht charter in Kimberley is available when berths and LOA fit. We shortlist hulls against Broome yacht access / Entrance Point capacity and your itinerary, then hold peak slips before you fly.

What does APA usually cover on a Kimberley charter?
