WHEN TO GO

Season & rhythm

- How a Bonifacio week actually runs.: A choreographed operation - berths, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Port de Bonifacio.
- Local cadence: Morning toys, held lunch, short reposition around Bonifacio, quiet overnight.
- Concierge lock: Restaurants and clubs confirmed weeks out - not left to chance.
- When to berth. When to anchor.: In Bonifacio, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy around Port de Bonifacio, walk-ashore dinners, event visibility.
- At anchor: Swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

FAQ

When is the best time for yacht charter in Bonifacio?

Shoulder months usually balance weather, water and berth availability for Bonifacio. Peak midsummer adds density and premium quay pricing at Port de Bonifacio.

Which marina should we embark from in Bonifacio?

Port de Bonifacio is the primary embarkation for Bonifacio, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Bonifacio?

For peak season around Bonifacio, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Bonifacio charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Bonifacio we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Bonifacio?

Yes - chauffeur and helicopter where available from CLY / AJA, timed to the embarkation slot at Port de Bonifacio.

How does a Bonifacio week use Bonifacio & Lavezzi?

Bonifacio & Lavezzi is a core Bonifacio pocket - we sequence Port de Bonifacio nights and day-anchors so the week feels unhurried. Bonifacio sits inside Corsica as a focused stop, not a duplicate of the country hub.
