WHEN TO GO

Season & rhythm

- How a Canary Islands week actually runs.: A choreographed operation - Puerto Calero, Lanzarote, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Puerto Calero, Lanzarote.
- Coastal cadence: Morning toys at Playa Francesa, La Graciosa, held lunch, short reposition through Lanzarote & La Graciosa, quiet overnight.
- Concierge lock: La Cocina de María and Playa Fanabe beach clubs confirmed weeks out.
- When to berth. When to anchor.: In Canary Islands, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy at Puerto Calero, Lanzarote, walk-ashore dinners, event visibility.
- At anchor: Playa Francesa, La Graciosa - swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

FAQ

What does it cost to charter a yacht in Canary Islands?

What it costs to charter a yacht in Canary Islands tracks yacht size and peak weeks. Smaller crewed sailing yachts and cats start lower; superyachts scale into six figures. APA, local tax context (The Canaries are a Spanish EU special tax zone with IGIC rather than standard mainland VAT - yacht charter tax treatment differs from peninsular Spain; confirm per vessel.) and berthing are confirmed in writing before deposit.

Which marina should we embark from in Canary Islands?

We match embarkation to LOA, flight into TFS / LPA, and the first night's plan - often Puerto Calero, Lanzarote when available.

Can you charter a superyacht in Canary Islands?

Megayacht and superyacht charter weeks in Canary Islands need earlier berth holds than midsize yachts. Blue Ocean Club sequences quay politics with the captain before contract.

How far ahead should we book berths in Canary Islands?

For peak season and event weeks around Canary Islands, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Canary Islands charter?

Fuel, berthing, food and beverage, and most guest concierge extras. Tax context for Canary Islands: The Canaries are a Spanish EU special tax zone with IGIC rather than standard mainland VAT - yacht charter tax treatment differs from peninsular Spain; confirm per vessel. We set an indicative APA band before contract.
