WHEN TO GO

Season & rhythm

- How a Caribbean week actually runs.: A choreographed operation - Port de Gustavia, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Port de Gustavia.
- Coastal cadence: Morning toys at Colombier, St Barths, held lunch, short reposition through Leeward luxury arc, quiet overnight.
- Concierge lock: Bonito and Nikki Beach St Barths confirmed weeks out.
- When to berth. When to anchor.: In Caribbean, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy at Port de Gustavia, walk-ashore dinners, event visibility.

NUMBERS - CARIBBEAN

VAT & APA - Caribbean short version.

On a Caribbean charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Caribbean pillar spans multiple tax jurisdictions (French VAT in St Barths/St Martin FR, none/EU-style elsewhere) - VAT depends entirely on embarkation territory; confirm per yacht and itinerary.

APA

For Caribbean in high season, budget APA at roughly 30-40% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.

FAQ

What does it cost to charter a yacht in Caribbean?

What it costs to charter a yacht in Caribbean tracks yacht size and peak weeks. Smaller crewed sailing yachts and cats start lower; superyachts scale into six figures. APA, local tax context (Caribbean pillar spans multiple tax jurisdictions (French VAT in St Barths/St Martin FR, none/EU-style elsewhere) - VAT depends entirely on embarkation territory; confirm per yacht and itinerary.) and berthing are confirmed in writing before deposit.

Which marina should we embark from in Caribbean?

We match embarkation to LOA, flight into SXM / ANU, and the first night's plan - often Port de Gustavia when available.

Can you charter a superyacht in Caribbean?

Megayacht and superyacht charter weeks in Caribbean need earlier berth holds than midsize yachts. Blue Ocean Club sequences quay politics with the captain before contract.

What does APA usually cover on a Caribbean charter?

Fuel, berthing, food and beverage, and most guest concierge extras. Tax context for Caribbean: Caribbean pillar spans multiple tax jurisdictions (French VAT in St Barths/St Martin FR, none/EU-style elsewhere) - VAT depends entirely on embarkation territory; confirm per yacht and itinerary. We set an indicative APA band before contract.

Can you arrange airport transfers into Caribbean?

Yes - chauffeur and helicopter where available from SXM / ANU, timed to the embarkation slot at Port de Gustavia.

How does a Caribbean week use Leeward luxury arc?

Leeward luxury arc is a core Caribbean cruising pocket - we sequence marina nights and day-anchors so the week feels unhurried. Caribbean is planned as a full cruising ecosystem with embarkation, berths and day-anchors sequenced together.
