COSTA DEL SOL

Overview

Costa del Sol remains one of the world's most requested yacht charter ecosystems - short legs between Marbella & Banús, dense shore life around Puerto Banús, and berths that reward early planning. The challenge is not finding beauty; it is sequencing marinas, Cabopino dunes and tables like BiBo Marbella so the week feels effortless. This is the broker's operational view of Costa del Sol for the current season.

WHEN TO GO

Season & rhythm

- How a Costa del Sol week actually runs.: A choreographed operation - Puerto Banús, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Puerto Banús.
- Coastal cadence: Morning toys at Cabopino dunes, held lunch, short reposition through Marbella & Banús, quiet overnight.
- Concierge lock: BiBo Marbella and Nikki Beach Marbella confirmed weeks out.
- When to berth. When to anchor.: In Costa del Sol, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy at Puerto Banús, walk-ashore dinners, event visibility.
- At anchor: Cabopino dunes - swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

NUMBERS - COSTA DEL SOL

VAT & APA - Costa del Sol short version.

On a Costa del Sol charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Spanish VAT applies on Costa del Sol charters; Gibraltar berthing may involve different duties - clarify embarkation port for VAT treatment.

APA

For Costa del Sol in high season, budget APA at roughly 30-40% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.

BEFORE YOU FLY

FAQ

What does it cost to charter a yacht in Costa del Sol?

Yacht charter cost in Costa del Sol depends on LOA, season and hull class. As an indicative band, crewed motor yachts often sit from the mid five-figures per week upward before APA (typically ~25-35% of base for fuel, berthing and provisions), VAT where applicable, and crew gratuity. We set an honest range before contract - not a fake nightly rate.

Which marina should we embark from in Costa del Sol?

Puerto Banús is the most common embarkation for Costa del Sol, with fallbacks when LOA or events block the preferred quay.

Can you charter a superyacht in Costa del Sol?

Yes - superyacht charter in Costa del Sol is available when berths and LOA fit. We shortlist hulls against Puerto Banús capacity and your itinerary, then hold peak slips before you fly.

What does APA usually cover on a Costa del Sol charter?

Fuel, berthing, food and beverage, and most guest concierge extras. Tax context for Costa del Sol: Spanish VAT applies on Costa del Sol charters; Gibraltar berthing may involve different duties - clarify embarkation port for VAT treatment. We set an indicative APA band before contract.

Can you arrange airport transfers into Costa del Sol?

Yes - chauffeur and helicopter where available from AGP / GIB, timed to the embarkation slot at Puerto Banús.

How does a Costa del Sol week use Marbella & Banús?

Marbella & Banús is a core Costa del Sol cruising pocket - we sequence marina nights and day-anchors so the week feels unhurried. Costa del Sol is planned as a full cruising ecosystem with embarkation, berths and day-anchors sequenced together.
