FAQ

When is the best time for yacht charter in Deshaies?

Shoulder months in Caribbean usually balance weather and berth availability for Deshaies near Deshaies harbour.

Which marina should we embark from in Deshaies?

Deshaies harbour is the primary embarkation for Deshaies, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Deshaies?

For peak season around Deshaies, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Deshaies charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Deshaies we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Deshaies?

Yes - chauffeur and helicopter where available from PTP, timed to the embarkation slot at Deshaies harbour.

How does a Deshaies week use Northwest coast?

Northwest coast is a core Deshaies pocket - we sequence Deshaies harbour nights and day-anchors so the week feels unhurried. Deshaies sits inside Guadeloupe as a focused stop, not a duplicate of the country hub.
