WHEN TO GO

Season & rhythm

- How a English Harbour week actually runs.: A choreographed operation - berths, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Nelson's Dockyard Marina.
- Local cadence: Morning toys, held lunch, short reposition around English Harbour, quiet overnight.
- Concierge lock: Restaurants and clubs confirmed weeks out - not left to chance.
- When to berth. When to anchor.: In English Harbour, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy around Nelson's Dockyard Marina, walk-ashore dinners, event visibility.
- At anchor: Swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

What does APA usually cover on a English Harbour charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For English Harbour we set an honest APA band before contract - not a vague percentage.

Yes - chauffeur and helicopter where available from ANU, timed to the embarkation slot at Nelson's Dockyard Marina.

How does a English Harbour week use English & Falmouth Harbours?
