VAT & APA - Glacier Bay short version.

On a Glacier Bay charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Alaska yacht charter follows US tax rules (no EU VAT); park permits, pilotage and remote logistics dominate cost more than tax.

APA

For Alaska in high season, budget APA at roughly 30-40% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.
