Overview

Hawaii yacht charter is a inter-island ocean operation - Ala Wai Harbor embarkation, Honolulu, Maui & Kauai nights, and door-to-deck from HNL / OGG / LIH. We hold berths and APA in writing because peak weeks sell out the obvious slips; the week is swim mornings and held tables, not a cruise-ship itinerary.

WHEN TO GO

Season & rhythm

- How a Hawaii week actually runs.: Ala Wai Harbor embark, Honolulu cadence, held tables - short legs, weather honesty.
- Embark ready: APA open, transfer timed to the passerelle, weather window checked.
- Coastal cadence: Swim mornings, held lunch, short reposition, quiet overnight.
- Tables locked: Concierge restaurants confirmed weeks out against berth nights.
- When to take the quay.: In Hawaii, quay nights buy access; hook nights buy privacy.
- Quay nights: Ala Wai Harbor walk-ashore energy when held.
- At anchor: Protected day-hooks when the harbour densifies.
- Usual play: One or two quay nights; the rest swinging.

BEFORE YOU FLY

FAQ

Primary Oahu marina?

Ala Wai Harbor is the working Honolulu embark for most programmes.

Inter-island passages?

Open-ocean legs - we only sell weather-honest itineraries with fuel contingency.

Maui focus?

Lahaina/Malaea access for lee-coast weeks without forcing a Molokai channel.

APA?

Inter-island fuel can push APA above the 30-40% band - we quote line items.

N Pali?

Kauai weather windows only - never guaranteed.

Family weeks?

Oahu south-shore day programmes are the calmest default.

What does it cost to charter a yacht in Hawaii?

Yacht charter cost in Hawaii depends on LOA, season and hull class. As an indicative band, crewed motor yachts often sit from the mid five-figures per week upward before APA (typically ~25-35% of base for fuel, berthing and provisions), VAT where applicable, and crew gratuity. We set an honest range before contract - not a fake nightly rate.

Which marina should we embark from in Hawaii?

Ala Wai Harbor is the most common embarkation for Hawaii, with fallbacks when LOA or events block the preferred quay.

OPERATIONAL

Mooring notes

Ala Wai Harbor

High in peak season - broker relationships matter for larger LOA. 6-14 weeks peak; 2-4 weeks shoulder. Event or festival weeks near Hawaii can eliminate availability. We hold Ala Wai Harbor alternatives and anchorage fallbacks before you sign.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
