ISTRIA & KVARNER

Overview

Istria & Kvarner remains one of the world's most requested yacht charter ecosystems - short legs between Western Istria, dense shore life around ACI Marina Rovinj, and berths that reward early planning. The challenge is not finding beauty; it is sequencing marinas, Red Island / Sv. Andrija and tables like Monte so the week feels effortless. This is the broker's operational view of Istria & Kvarner for the current season.
