ITALY

Overview

Italy yacht charter is a hub, not a single harbour - Amalfi and Capri from Naples, Costa Smeralda from Olbia, Portofino from Genoa, Sicily when the brief runs south. We sequence embarkation airports, VAT treatment and berth politics before you fly so the week reads as one Italian programme rather than three disconnected postcards.

Italy yacht charter - Amalfi, Sardinia and Liguria berths, door-to-deck and APA with Blue Ocean Club.

WHEN TO GO

Season & rhythm

- How to choose an Italian theatre.: One embarkation airport, one berth politics, one APA story - then deepen.
- NAP corridor: Cliff towns, Capri tender culture, Stabia LOA base.
- OLB corridor: Smeralda nights, Maddalena swim density.
- GOA corridor: Portofino postcard, short scenic hops.
- Do not stitch three coasts into seven nights.: Mileage kills swim mornings - we protect one theatre.
- One coast: Amalfi or Smeralda or Liguria - not all three.
- Two-leg season: Sardinia then Amalfi across a longer diary.
- Corsica / Croatia: When the brief truly wants multi-country.

BEFORE YOU FLY

FAQ

Which Italian embarkation fits our brief?

NAP for Amalfi/Capri, OLB for Sardinia/Smeralda, GOA for Portofino/Liguria, CTA/PMO for Sicily - pick the gateway that matches the first night.

Can we combine Amalfi and Sardinia?

On longer programmes yes - not a same-week hop for most LOA. We design one coherent theatre or a two-leg season.

Italian VAT?

Commercial charter embarking in Italy usually implies Italian/EU VAT - confirm flag and temporary admission before contract.

APA guidance?

High season often 25-35% once fuel, scarce berths and held tables are honest - line-item by coast.

Portofino overnight?

Tiny quay - LOA limits and early booking critical; Santa Margherita is the practical overflow.

Best family coast?

Sardinia Maddalena and Amalfi swim mornings are strong; Portofino is shorter and more scenic than swim-dense.

OPERATIONAL

Mooring notes

Marina di Stabia

Amalfi LOA embark south of Naples. 6-12 weeks peak. Ferragosto densifies. Hub pointer into Amalfi programmes.

Porto Cervo Marina

Smeralda flagship - event weeks sell out. 8-16 weeks peak. Rolex / August density. Hub pointer into Sardinia programmes.

Marina di Portofino

Tiny glamorous quay - LOA tightly controlled. 8-16 weeks peak. Summer yacht density. Hub pointer into Liguria - hold Santa Margherita fallback.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
