KOTOR

Overview

Kotor rewards captains who know local holding and quay politics. We plan around Port of Kotor, keep APA honest, and leave room for weather - the Montenegro way, without duplicating the country-hub page.

Boat charter and crewed yacht charter in Kotor: Port of Kotor, swim mornings and held tables. Enquire with Blue Ocean Club.

WHEN TO GO

Season & rhythm

- How a Kotor week actually runs.: A choreographed operation - berths, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Port of Kotor.
- Local cadence: Morning toys, held lunch, short reposition around Kotor, quiet overnight.
- Concierge lock: Restaurants and clubs confirmed weeks out - not left to chance.
- When to berth. When to anchor.: In Kotor, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy around Port of Kotor, walk-ashore dinners, event visibility.
- At anchor: Swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

NUMBERS - KOTOR

VAT & APA - Kotor short version.

On a Kotor charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Montenegro is not in the EU; yacht charter tax and temporary importation rules differ from Croatian VAT - clear customs and cruising permits with the captain.

APA

For Montenegro in high season, budget APA at roughly 30-40% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.

FAQ

When is the best time for yacht charter in Kotor?

Shoulder months usually balance weather, water and berth availability for Kotor. Peak midsummer adds density and premium quay pricing at Port of Kotor.

Which marina should we embark from in Kotor?

Port of Kotor is the primary embarkation for Kotor, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Kotor?

For peak season around Kotor, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Kotor charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Kotor we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Kotor?

Yes - chauffeur and helicopter where available from TIV, timed to the embarkation slot at Port of Kotor.

How does a Kotor week use Bay of Kotor?

Bay of Kotor is a core Kotor pocket - we sequence Port of Kotor nights and day-anchors so the week feels unhurried. Kotor sits inside Montenegro as a focused stop, not a duplicate of the country hub.

OPERATIONAL

Mooring notes

Kotor - Port of Kotor

High in peak season around Kotor - broker relationships matter for larger LOA. 4-12 weeks for peak season slips Event or festival weeks near Kotor can multiply rates and eliminate availability. We hold Port of Kotor alternatives and anchorage fallbacks before you sign.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
