FAQ

When is the best time for yacht charter in Langkawi?

Shoulder months usually balance weather, water and berth availability for Langkawi. Peak midsummer adds density and premium quay pricing at Royal Langkawi Yacht Club.

Which marina should we embark from in Langkawi?

Royal Langkawi Yacht Club is the primary embarkation for Langkawi, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Langkawi?

For peak season around Langkawi, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Langkawi charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Langkawi we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Langkawi?

Yes - chauffeur and helicopter where available from LGK / PEN, timed to the embarkation slot at Royal Langkawi Yacht Club.

How does a Langkawi week use Langkawi west & north?

Langkawi west & north is a core Langkawi pocket - we sequence Royal Langkawi Yacht Club nights and day-anchors so the week feels unhurried. Langkawi sits inside Malaysia - Langkawi as a focused stop, not a duplicate of the country hub.
