- Local cadence: Morning toys, held lunch, short reposition around Limassol, quiet overnight.
- Concierge lock: Restaurants and clubs confirmed weeks out - not left to chance.
- When to berth. When to anchor.: In Limassol, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy around Limassol Marina, walk-ashore dinners, event visibility.

VAT & APA - Limassol short version.

On a Limassol charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Cyprus applies EU VAT rules; yacht charter VAT treatment follows commercial yacht status and embarkation - confirm local marina dues separately.

APA

For Cyprus in high season, budget APA at roughly 30-40% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.

Limassol Marina is the primary embarkation for Limassol, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Limassol?

What does APA usually cover on a Limassol charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Limassol we set an honest APA band before contract - not a vague percentage.

How does a Limassol week use Limassol coast?
