MALLORCA

Overview

Mallorca yacht charter centres on Puerto Portals and STP Palma - PMI door-to-deck, east-coast calas, and Cabrera day culture. Ibiza is a separate island operation; we don't force a cross-island embark day unless the brief demands it.

Mallorca yacht charter - Puerto Portals berths, east calas, PMI transfers and APA with Blue Ocean Club.

WHEN TO GO

Season & rhythm

- How a Balearics week actually runs.: Mallorca calas, one Ibiza quay night, Formentera sandbars - or a pure Menorca privacy week.
- Portals / Ibiza embark: Transfer timed, APA open, provisioning locked.
- Cala cadence: Swim mornings, held beach-club lunch, quiet overnight.
- Tables locked: Ibiza / Palma reservations weeks out.
- Quay nights that earn their keep.: Ibiza town once; Formentera and Menorca for water.
- Marina Ibiza: Walk-ashore dinners and club tender drops.
- Menorca / east Mallorca: Coves and quieter overnights.
- Formentera: Day culture - berths scarce; tender plans default.

BEFORE YOU FLY

FAQ

Portals or Palma?

Portals for flagship berthing; STP Palma for yard / megayacht alternatives.

PMI transfer?

Typically 25-40 minutes to Portals.

Lead time?

8-14 weeks July-August for larger LOA.

Family calas?

East and south quiet coves - protect swim mornings.

Cabrera?

Permit-aware day stop when the brief wants it.

Combine with Ibiza?

On longer weeks - not as a same-day embark hop.

What does it cost to charter a yacht in Mallorca?

How much to charter a yacht in Mallorca: we quote live fleet against your dates, then layer APA guidance and Porto Portals berth strategy. Ranges are indicative until the yacht and week are locked.

Which marina should we embark from in Mallorca?

Boarding for Mallorca is typically coordinated around Porto Portals; captains confirm approach and tender logistics before wheels-down.

OPERATIONAL

Mooring notes

Puerto Portals

High-season scarcity for larger LOA. 8-14 weeks July-August. Palma Superyacht Show and August density. Mallorca flagship - STP Palma as yard/berth alternative.

Marina Ibiza

Very hard peak weeks. 8-16 weeks high season. Closing parties and August eliminate last-minute quay nights. Hold Formentera day-anchors; one confirmed quay night when available.

Port de Maó

Easier than Ibiza - still book ahead in August. 4-8 weeks peak. August family density. Menorca privacy weeks start here.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
