FAQ

When is the best time for yacht charter in Medana Bay?

Which marina should we embark from in Medana Bay?

Medana Bay Marina is the primary embarkation for Medana Bay, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Medana Bay?

For peak season around Medana Bay, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Medana Bay charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Medana Bay we set an honest APA band before contract - not a vague percentage.

How does a Medana Bay week use North Lombok?
