WHEN TO GO

Season & rhythm

- How a Menorca week actually runs.: A choreographed operation - berths, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Port Mahón.
- Local cadence: Morning toys, held lunch, short reposition around Menorca, quiet overnight.
- Concierge lock: Restaurants and clubs confirmed weeks out - not left to chance.
- When to berth. When to anchor.: In Menorca, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy around Port Mahón, walk-ashore dinners, event visibility.
- At anchor: Swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

FAQ

When is the best time for yacht charter in Menorca?

Shoulder months usually balance weather, water and berth availability for Menorca. Peak midsummer adds density and premium quay pricing at Port Mahón.

Which marina should we embark from in Menorca?

Port Mahón is the primary embarkation for Menorca, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Menorca?

For peak season around Menorca, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Menorca charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Menorca we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Menorca?

Yes - chauffeur and helicopter where available from PMI / IBZ, timed to the embarkation slot at Port Mahón.

How does a Menorca week use Menorca?

Menorca is a core Menorca pocket - we sequence Port Mahón nights and day-anchors so the week feels unhurried. Menorca sits inside Balearic Islands as a focused stop, not a duplicate of the country hub.

OPERATIONAL

Mooring notes

Menorca - Port Mahón

High in peak season around Menorca - broker relationships matter for larger LOA. 4-12 weeks for peak season slips Event or festival weeks near Menorca can multiply rates and eliminate availability. We hold Port Mahón alternatives and anchorage fallbacks before you sign.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
