WHEN TO GO

Season & rhythm

- How a Montenegro week actually runs.: A choreographed operation - Porto Montenegro, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Porto Montenegro.
- Coastal cadence: Morning toys at Perast roads, held lunch, short reposition through Bay of Kotor, quiet overnight.
- Concierge lock: Galerija and Lido Montenegro confirmed weeks out.
- When to berth. When to anchor.: In Montenegro, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy at Porto Montenegro, walk-ashore dinners, event visibility.
- At anchor: Perast roads - swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

BEFORE YOU FLY

FAQ

What does it cost to charter a yacht in Montenegro?

What it costs to charter a yacht in Montenegro tracks yacht size and peak weeks. Smaller crewed sailing yachts and cats start lower; superyachts scale into six figures. APA, local tax context (Montenegro is not in the EU; yacht charter tax and temporary importation rules differ from Croatian VAT - clear customs and cruising permits with the captain.) and berthing are confirmed in writing before deposit.

Which marina should we embark from in Montenegro?

We match embarkation to LOA, flight into TIV, and the first night's plan - often Porto Montenegro when available.

Can you charter a superyacht in Montenegro?

Megayacht and superyacht charter weeks in Montenegro need earlier berth holds than midsize yachts. Blue Ocean Club sequences quay politics with the captain before contract.

When is the best time for yacht charter in Montenegro?

For Montenegro, peak demand tracks local school holidays and events. We favour shoulder windows when Porto Montenegro still has LOA flexibility.

Is boat charter available in Montenegro?

Yes - boat charter and crewed yacht charter are both planned for Montenegro. We favour crewed motor yachts and sailing yachts with professional crew for privacy and logistics.

How long should a yacht charter week in Montenegro be?

Most Montenegro itineraries run a full week; day charter yacht options suit celebrations or event viewing. We design the loop around Bay of Kotor so mileage stays unhurried.
