NEW ENGLAND

Overview

New England yacht charter is a fog-aware Northeast operation - Newport Shipyard embarkation, Newport, Nantucket & Martha's Vineyard nights, and door-to-deck from PVD / ACK. We hold berths and APA in writing because peak weeks sell out the obvious slips; the week is swim mornings and held tables, not a cruise-ship itinerary.

WHEN TO GO

Season & rhythm

- How a New England week actually runs.: Newport Shipyard embark, Newport cadence, held tables - short legs, weather honesty.
- Embark ready: APA open, transfer timed to the passerelle, weather window checked.
- Coastal cadence: Swim mornings, held lunch, short reposition, quiet overnight.
- Tables locked: Concierge restaurants confirmed weeks out against berth nights.
- When to take the quay.: In New England, quay nights buy access; hook nights buy privacy.
- Quay nights: Newport Shipyard walk-ashore energy when held.
- At anchor: Protected day-hooks when the harbour densifies.
- Usual play: One or two quay nights; the rest swinging.

BEFORE YOU FLY

FAQ

Newport embark?

Newport Shipyard is the crewed service hub - race-week berths need early holds.

Nantucket moorings?

Boat Basin and mooring fields tighten in July-August - we hold alternatives.

Fog plans?

Captains build Sound weather days - never a rigid postcard loop.

APA?

Budget 25-35% once island moorings and dining are honest.

Martha's Vineyard?

Edgartown/Vineyard Haven nights with up-island day-hooks.

Best airports?

PVD for Newport; ACK for island-first weeks.

OPERATIONAL

Mooring notes

Newport Shipyard

High in peak season - broker relationships matter for larger LOA. 6-14 weeks peak; 2-4 weeks shoulder. Event or festival weeks near New England can eliminate availability. We hold Newport Shipyard alternatives and anchorage fallbacks before you sign.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
