WHEN TO GO

Season & rhythm

- How a San Juan Islands week actually runs.: A choreographed operation - berths, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Roche Harbor Marina, San Juan Island.
- Local cadence: Morning toys, held lunch, short reposition around San Juan Islands, quiet overnight.
- Concierge lock: Restaurants and clubs confirmed weeks out - not left to chance.
- When to berth. When to anchor.: In San Juan Islands, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy around Roche Harbor Marina, San Juan Island, walk-ashore dinners, event visibility.
- At anchor: Swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.

BEFORE YOU FLY

FAQ

When is the best time for yacht charter in San Juan Islands?

Shoulder months usually balance weather, water and berth availability for San Juan Islands. Peak midsummer adds density and premium quay pricing at Roche Harbor Marina, San Juan Island.

Which marina should we embark from in San Juan Islands?

Roche Harbor Marina, San Juan Island is the primary embarkation for San Juan Islands, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in San Juan Islands?

For peak season around San Juan Islands, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a San Juan Islands charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For San Juan Islands we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into San Juan Islands?

Yes - chauffeur and helicopter where available from SEA / YVR, timed to the embarkation slot at Roche Harbor Marina, San Juan Island.

How does a San Juan Islands week use San Juan Islands?

San Juan Islands is a core San Juan Islands pocket - we sequence Roche Harbor Marina, San Juan Island nights and day-anchors so the week feels unhurried. San Juan Islands sits inside Pacific Northwest as a focused stop, not a duplicate of the country hub.

OPERATIONAL

Mooring notes

San Juan Islands - Roche Harbor Marina, San Juan Island

High in peak season around San Juan Islands - broker relationships matter for larger LOA. 4-12 weeks for peak season slips. Event or festival weeks near San Juan Islands can multiply rates and eliminate availability. We hold Roche Harbor Marina, San Juan Island alternatives and anchorage fallbacks before you sign.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
