FAQ

What does it cost to charter a yacht in Singapore & Riau?

Yacht charter cost in Singapore & Riau depends on LOA, season and hull class. As an indicative band, crewed motor yachts often sit from the mid five-figures per week upward before APA (typically ~25-35% of base for fuel, berthing and provisions), VAT where applicable, and crew gratuity. We set an honest range before contract - not a fake nightly rate.

Which marina should we embark from in Singapore & Riau?

ONE°15 Marina Sentosa Cove is the most common embarkation for Singapore & Riau, with fallbacks when LOA or events block the preferred quay.

Can you charter a superyacht in Singapore & Riau?

Yes - superyacht charter in Singapore & Riau is available when berths and LOA fit. We shortlist hulls against ONE°15 Marina Sentosa Cove capacity and your itinerary, then hold peak slips before you fly.

How does a Singapore & Riau week use Sentosa Cove?

Sentosa Cove is a core Singapore & Riau cruising pocket - we sequence marina nights and day-anchors so the week feels unhurried. Singapore & Riau is planned as a full cruising ecosystem with embarkation, berths and day-anchors sequenced together.

When is the best time for yacht charter in Singapore & Riau?

Shoulder months in Asia usually balance weather, water temperature and berth availability for Singapore & Riau. Peak midsummer adds density and premium quay pricing.

Is boat charter available in Singapore & Riau?

Boat charter in Singapore & Riau usually means crewed yacht charter for Blue Ocean Club guests - captain, chef and a private week rather than bareboat. We match hull class to your group and the local grounds.
