ST MARTIN / SINT MAARTEN

Overview

St Martin yacht charter is a dual-nation lagoon operation - Simpson Bay Marina inside the Dutch bridge for megayacht services, Marigot and Anse Marcel on the French side for quieter nights, and SXM door-to-deck in 15-45 minutes. We hold bridge windows, Anguilla day-hops and Gustavia overflow plans before you fly; Christmas-New Year is not a walk-up lagoon.

BEFORE YOU FLY

FAQ

Dutch or French side for embarkation?

Simpson Bay (Dutch) for megayacht services inside the bridge; Marigot/Anse Marcel for quieter French-side nights.

How early for Simpson Bay berths?

Peak December-April and holidays often need 8-16 weeks for larger LOA.

SXM transfer time?

Typically 15-25 minutes to Simpson Bay; 20-45 minutes to Marigot/Anse Marcel.

VAT treatment?

French St Martin follows French VAT; Dutch Sint Maarten does not - embarkation side can change tax treatment.

Anguilla day-hop?

Yes - classic channel day when clearance and weather align.

Combine with St Barths?

Common on longer Leeward programmes - Gustavia berths need their own hold.

What does it cost to charter a yacht in St Martin / Sint Maarten?

Yacht charter cost in St Martin / Sint Maarten depends on LOA, season and hull class. As an indicative band, crewed motor yachts often sit from the mid five-figures per week upward before APA (typically ~25-35% of base for fuel, berthing and provisions), VAT where applicable, and crew gratuity. We set an honest range before contract - not a fake nightly rate.
