## EMBARK UTILITY

## Embark at Seraya Bajo resort docks

---

Door-to-deck for Komodo: fly into the gateway, transfer timed to the gangway, luggage aboard before guests. We choreograph the buffer - not a taxi scramble.

|                       |                                                                                                                                             |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| <b>MEETING POINT</b>  | Meeting point: Seraya Bajo resort docks - confirm quay / pontoon with the captain the morning of embarkation.                               |
| <b>ARRIVAL BUFFER</b> | Plan 60-90 minutes from wheels-down to passerelle for chauffeur corridors; helicopter windows are tighter when helipad access is confirmed. |
| <b>PEAK LEAD TIME</b> | Peak berths typically need 4-12 weeks for peak season slips. We hold anchorage fallbacks before you fly.                                    |

### Captain notes

Approach Seraya Bajo resort docks with local pilotage notes from the captain; high season berths book weeks ahead. Fuel, water and shore power are available - confirm waste and amp rating before arrival.

### Tender fallback

When berths are scarce we hold a sheltered anchorage + tender (or captain-only standby) plan before you fly - never a last-minute scramble at the mole.

### Luggage / hotel

Night-before hotel near the gateway (or marina) when late arrivals risk missing the embarkation slot - we hold rooms against the transfer plan.

### LBJ

Typical LBJ quay: 15-25 min from LBJ. Typical transfer: 15-25 min from LBJ

[Draft] Indicative seasonal berth ranges are shared on request - confirm with the marina agent before contract. We never publish unverified nightly rates as fact.
